* Fiscal years vary by service, as do computation methods. Sales figures are provided by the services on a monthly basis. Some information provided by the services reflects incomplete sales totals or flash figures. Audited figures are used when provided by the services. Sales figures are approximate and are rounded off. AAFES, NEXCOM, MCX and CGX sales totals include gasoline, and fluctuations in prices can greatly impact sales performance. NEXCOM sales figures do not include concession sales. Totals may not agree because of rounding.
