

AAFES Specialty Stores

Ranked by Sales – Fiscal 2018

The following list, naming the top Army & Air Force Exchange Service (AAFES) specialty stores in terms of sales volume, shows only those with more than \$10 million in fiscal 2018 sales. Included are several different types of convenience venues: Expresses; troop stores; service stations; Class Six facilities; mall and Mini-Mall venues; car care centers and other retail stores. Sales figures shown represent all sales at the specific venue. Although this list chronicles sales at fewer than 100 AAFES outlets, the exchange service's complete specialty store portfolio contains nearly 900 different outlets and other reporting entities worldwide.
