PRIME VENDORS

Delivering Subsistence
Worldwide to
U.S. Warfighters

DLA TROOP SUPPORT • AIR FORCE NAF • JOINT SERVICES

Defense Logistics Agency

Troop Support Subsistence Prime Vendor Program

A prime vendor agrees to provide customers a broad range of food-related items under either a standardized or customized catalog that contains a listing of items requested by the customers. The prime vendor guarantees a particular level of supply availability, may also be required to provide a level of surge demand support and provides price advantages

and ordering efficiency for customers, as well as stable demand for suppliers.

All contract values are the best current estimates. For those original contracts that have expired, all are "bridged" with extensions to sustain food services while new-contract solicitations and response evaluations are underway.

Note: Many of the prime vendors listed here hold multiple contracts, generally known as 'catalogs,' often with variations in offerings, covering food products and produce separately, in the areas and for the bases and facilities enumerated. The locations listed may include more than one supported activity — for instance, child development centers (CDCs) or youth centers — which are not always separately identified. All contract values shown here are the best current estimates, updated as of August 19, 2015.

AFNAFPO PRIME VENDORS

United States Air Force Nonappropriated Fund Prime Vendor III Program (PVIII)

The U.S. Air Force Nonappropriated Fund Prime Vendor program began in September 1991. The program currently provides food and related supplies to 402 NAF activities (Air Force Clubs, Chili's, Macaroni Grill, Bowling Centers, Golf Courses, Lodging Operations, Community Activity Centers, Outdoor Recreation, Base Restaurants and Snack Bars) at more than 74 Air Force installations around the

world. The HQ Air Force Services Activity, located in San Antonio, Texas, oversees the program. Listed below are the HQ Air Force Services Activity personnel who provide program oversight, and also the prime vendor contractors that do business with the Air Force Nonappropriated Fund Purchasing Office (AFNAFPO) and the installations they serve.

JSPVP PRIME VENDORS

Joint Services Prime Vendor Program (JSPVP)

The Joint Services Prime Vendor Program (JSPVP), which falls under the auspices of the Army Installation Management Command, G9 (Family and MWR Programs), was founded in 1991. JSPVP currently has one CONUS and three OCONUS contracts with foodservice distributors at 169 installations around the world. These distributors provide food and food-related products on a pre-negotiated basis to more than 1,750 nonappropriated-fund (NAF) military Morale, Welfare and Recreation (MWR) activities and Exchange foodservice operations. Business Activities covered by the new JSPVP are within the Army, Navy, Marine Corps, Coast Guard, Marine Corps and Navy Exchanges, Army & Navy Lodging, Armed Forces Recreation Centers, Armed Forces Retirement Homes and other locations, such as the U.S. Military Academy Cadet Mess and the U.S. Naval Academy Midshipmen's Mess. In fiscal 2014, program purchases exceeded \$171 million and resulted in a combined savings of \$25.9 million through negoti-

ated contract savings, rebates and off-invoice discounts. JSPVP is constantly looking to expand the program by adding additional manufacturers and products. The rebate and deviated-cost programs saved participants over \$5.3 million in 2014, with over 125 manufacturers offering allowances. A list of all deviated-pricing and rebate items and manufacturers is available for all business activities enrolled in the program. The National Product Consolidation Program (NPCP) has completed the fifth wave with the dry pasta category being awarded to Dakota Growers Pasta Company. The NPCP leverages purchasing power and simplifies the purchasing process by standardizing products and focusing purchasing power on fewer manufacturers and items. The goal of the NPCP is to obtain the best possible pricing for the benefit of service members and their families. All JSPVP participants are eligible to participate in the program, but Army participation, by way of an Operations Order, is mandatory.

The following is a list of all Business Activities participating in the JSPVP:

861 Army, Army Lodging,
and Joint Base Operations
473 Navy
73 Navy Lodges & Exchange units

320 Marine Corps
14 Coast Guard
4 Armed Forces Recreation Centers
8 Other Locations
