

FITNESS

Absolo represents a uniquely interactive, fun and effective system for people of all ages and abilities. Facilities, trainers and exercisers are raving about the dynamic Absolo approach — combining traditional crunches with medicine ball tosses — to develop abdominal strength and core conditioning, cardiovascular endurance and muscle coordination. For more information call 877 4ABSOL0 or visit www.absolo.com.

CEILING FANS

Big Ass Fans' 8-20 ft. commercial-grade line delivers the benefits of large, energy efficient ceiling fans to fitness spaces of all shapes and sizes. Big Ass Fans is the sole source provider of Element® and Isis™, offering unmatched air movement, silent operation and easy installation on ceilings as low as 12 feet. Save up to 10% on summer cooling and 30% on winter heating costs with Big Ass Fans. Call 877 BIG-FANS or visit www.BigAssFans.com.

GYM FLOOR COVERS

Covermaster's Ultima Series covers are versatile, decorative and durable thanks to the knife/spread coating method. Very resilient, the covers maintain their appearance longer because the coating cannot separate from the core. ADA compliant, they can also be color matched. GSA contract GS-07F-9030G. For literature and DVD call 1-800-387-5808, fax 416-742-6837 or visit covermaster.com.

SPECIALTY FLOORING

Greatmats is a major national supplier of many different types of Specialty Flooring Products such as Rubber Rolls and Mats and PVC tiles for weight rooms, gyms, supply rooms and warehouses. In addition it offers Vinyl Covered Folding Mats, Interlocking Puzzle Mats and Wall Padding for self-defense and tactical training. See its GSA Contract on GSA Advantage or the web site at www.greatmats.com or call to speak with a sales person at 877-822-6622.

FUNCTIONAL TRAINER

The Cybex Functional Trainer (FT-450) is a total training solution offering many options and versatility. The FT-450 allows users to work upper and lower body using hundreds of different isolated or fully integrated exercises. The FT-450 is distinguished by an advanced, biomechanically correct design featuring two unique, patent-pending features, the Progressive Stabilization and Cable Position Adjustment options. This means the direction of resistance can be completely controlled, creating almost endless training possibilities. For more information call Paul Trammell at 877-927-7334 or visit www.cybexintl.com.

BLEACHERS

Kay Park "Speedy Bleachers" are an excellent seating solution. The highway towable, hydraulic folding bleacher system is easily set up by one person in less than 10 minutes. This moveable unit is a great solution when multiple fields needs seating, but the funds aren't in the budget. Since baseball and football, track and tennis have alternating times of need, a few Speedy Bleachers can provide seating for all events. Visit www.kaypark.com or call 1-800-553-2476 for more information.

OLYMPIC BAR

Iron Grip has introduced a new product to its family of premium Olympic bars, the Competition Series Needle Bearing bar. Designed to be suitable for International Weightlifting Federation (IWF) Olympic-style competition, and built exactly to IWF specifications, Iron Grip's new Competition Series Olympic bar has been designed to compete with the best Olympic lifting bars on the market. Made entirely in the USA, in Iron Grip's own on-site facility, this bar offers a unique combination of performance, safety and durability. For more information, call 800-664-4766 or visit www.iron Grip.com.

AQUATICS

Arch Chemicals' Water Products business is one of the world's leading suppliers of sanitizers and other chemicals used to treat water in swimming pools, spas and municipal drinking water. Its Pulsar® brand sanitizers and feeder systems are used worldwide in commercial pool applications such as recreational pools, competitive swimming facilities, water parks and unique water features. New in the Pulsar® system for 2009 is the 2-Stage Polymeric System PRS® which traps 99.9% of Cryptosporidium on the pool's filter and keeps it safely away from your patrons. For more info visit www.archwaterworks.com/commercial.
