Drapery Fabrics

Valley Forge Fabrics, Inc. introduces Galaxy, Glimmer and Brilliance. All drapery fabrics in these collections are 54-56 inches wide and inherently flame resistant. Brilliance is a silk-like fabric woven with a very high denier yarn. The iridescent quality and fine silk hand are achieved by using only cold washed yarn dyed polyester. Galaxy is an exquisite silk-like slub taffeta with all of the same characteristics of Brilliance. Glimmer is a luscious satin fabric woven for elegance and glamour. This fabric is a high quality satin weave that is soft, supple and drapes beautifully. The face of the fabric is lustrous and reflective.
