

THAW-AND-SERVE DESSERTS

Boboli International/Ambretta Foods offers an array of restaurant-quality thaw-and-serve desserts: cream puffs, mini éclairs, napoleons and cream rolls. The elegant appearance and decadent flavor profiles make them perfect for large-volume applications, banquets and catering. Sprinkle them with powdered sugar or top with chocolate sauce, caramel or fresh fruit.

CONVEYOR PIZZA OVENS

XLT is one of the fastest growing conveyor pizza oven companies in the world. By partnering with customers, XLT has continuously improved its offerings to bring innovative changes to the marketplace. XLT was one of the first companies to offer a full five-year oven warranty, and first to introduce the Quiet Fire Burner Technology. XLT ovens are easy to clean, bake great, are factory delivered and installed, and are available in 304 18-gauge American stainless steel.

ICED COFFEE

S&D's Perfect Iced Coffee uses a proprietary "cold brewed" triple-filtered process – the same "secret" process used by leading coffeehouses — to hand-craft a blend of its finest roasted Arabica Espresso Coffee Beans, then infuses delicious flavors and other natural flavors along with pure cane sugar. It is available in four flavors.
