* Fiscal years vary by service, as do computation methods. DeCA follows the federal government fiscal year, which begins Oct. 1 and ends the following Sept. 30. Exchanges follow the standard civilian retail year of exactly 52 or 53 weeks. It begins about Feb. 1, ending about the following Jan. 31. Exact dates differ each year.

Sales figures are provided by the services on a monthly basis. Some information provided by the services reflects incomplete sales totals or flash figures. Audited figures are used when provided by the services. Sales figures are approximate and are rounded off. AAFES, NEXCOM, MCX and CGX sales totals include gasoline, and fluctuations in prices can greatly impact sales performance. NEXCOM sales figures do not include concession sales. Totals may not agree because of rounding.
