

# GENERAL MANAGERS/WORLDWIDE

The headquarters of the Army & Air Force Exchange Service (AAFES) is located in Dallas, Texas. Mailing addresses and telephone numbers for AAFES exchanges worldwide, grouped by exchange region, are listed below. Sales figures for each exchange are for the 2018 fiscal year. AAFES allows a variance of about 1 percent on each sales figure provided. The exchange service does not provide individual sales figures for every exchange it operates; some sales figures are rolled up into consolidated exchange totals. Notes: All services revenues shown represent direct operations only; these operations account for less than 4 percent of total Services and Vending sales. No services figures are shown for those locations reporting zero or negative services sales, but any negative services figures — and negative figures in any of the other sales categories — are computed into the total sales figure. The Services sales category included only vending sales until fiscal 2017, when the category was expanded at AAFES's request to include all Services revenues. Sales figures are rounded off to the nearest dollar.

Email protocol is xxxxxx@aafes.com and is noted for each general manager.
