NAVY & MARINE CORPS FISHER HOUSES

The Fisher House at MCB Camp Pendleton, Calif.

The Navy & Marine Corps Fisher Houses represent a commitment to provide quality care and support to service members and their families, both active duty and retired, during a time of need. A stay at the Fisher House is at no cost for families of patients admitted for care at medical treatment facilities located on military installations or affiliated medical centers. The Fisher House mission is to provide a "home away from home" in times of medical crises for the nation's heroes and their families. The staff is committed to "taking care of you while you take care of your loved one." Their promise is to provide comfortable and peaceful accommodations for

those we serve.
